

## The Grand National Sweepstake Kit

1. Cut Out The 40 Horses
2. Fold Them
3. Arrange A Lucky Dip
4. Charge Per Entry
5. Note Every Entry

Divide the winnings for First,  
Second, Third & Fourth Positions

It's just for fun. You can play for free or you can charge per entry. The norm is £1 - £5 per entry.

Some office sweepstakes only allow one entry per person and if a horse wins which wasn't picked, the pot goes to charity. Or, you can allow more than one entry per person, if you're left with more horses than entries.

The reserves are added as they replace any horses withdrawn between the final declaration stage on Thursday 7th and 9:30 am on Friday 8th. So if you are starting your sweepstake before 9:30 am on Friday 8th it's best to include the reserves. If you are starting it after 9:30 am on Friday 8th then replace any withdrawn runners with the reserves selected if applicable.
